

# ARIZONA CHRISTIAN UNIVERSITY

Arizona Christian University is proud to partner with Gilbert Christian High School to offer courses in a Dual Enrollment Program beginning in the 2011 – 2012 academic year. The partnership makes it possible for you, as a student of Gilbert Christian High School, to earn both high school and college credit concurrently. The curriculum taught in the specific courses (listed below) at Gilbert Christian High School meets the requirements to earn credits on an official college transcript from Arizona Christian University. This transcript is usually accepted at any institution of higher education. Arizona Christian University is regionally accredited by NCA, the Higher Learning Commission ([www.ncahlc.org](http://www.ncahlc.org)).
