

Dear Prayer Partners,

It is with great joy that I share the good news regarding Jerome's post surgery evaluation. The doctors have "successfully removed all the Sarcoma cancer (with margins all around the removed cancer) and because they were able to extract good tissue all around the cancer area that was removed, they saw no need for Chemotherapy or Radiation." PRAISE THE LORD! Both Jerome & Lynda were both back at school today, although Jerome was moving a bit slower and with discomfort. Please continue to pray for his continued recovery from the surgery. They are both so filled with gratitude for how God has used this challenging time as an opportunity to reach out to so many who had yet to hear the Gospel. What a radiant example they are of trusting the Savior!

Below is the latest Prayer Summary. The Lettuce Pray Partners are considering moving their Monday morning prayer times after the holidays to Tuesday mornings at 8:10am. Please let me know if that would present a problem for any of you who endeavor to attend. As always, thanks for your faithfulness to pray!!

Yours in Christ,
Deborah Hightower
