

Dear Prayer Partners,

It just struck me how blessed we are to have the technology to communicate praises and prayer requests to one another, even when we can't be together! Technology so often is used in a negative way...how wonderful to use it to further God's kingdom.

I am always delighted to read the love and concern our youngest students have for each other, their teachers and families. Is it any wonder Jesus said in Mat 18:3 NIV "...I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven." Thank you teachers who are able to take time to record the requests and praises of our little ones. (Psa 8:2 NIV) "From the lips of children and infants you have ordained praise because of your enemies, to silence the foe and the avenger."

Be blessed as you spend time with the Lord on behalf of our GCS staff, teachers and families!

Yours in Christ,  
Deborah Hightower
